Elios is...

a company where skilled craftsmen and experienced potters commit daily.

Elios has produced...

the best ceramic tableware with refined reliefs that make it unique, for over 60 years.

Elios believes...

in professional ethics and professionalism in the business, constant research, use of the best materials, and control of the processing stages. Especially, we believe in the preservation of the real Made in Italy style.

Elios' Customers...

are among the best stores around the world, particularly in Italy and in the United States of America.
